NOVELTIES

We are delighted to share with you a new season full of surprises and novelties.

New vibrant and intense Gel On Off colours that will be a sensation. Once you try them you won't be able to live without them. This 2024 you have more than 200 colours to choose from. In addition, our Top Coats collection incorporates the latest novelty with a 2-in-1 top & base coat, always thinking about getting the most out of your manicures.

One of Thuya's and our laboratory's main objectives is to care for as well as beautify. What concerns us most is the quality of our products and the care of skin and hands, which is why our products have the dual function of caring for or treating and beautifying. That is why we are launching a new range of natural nail treatments to care for, protect and pamper our nails to the maximum. Discover all the options on our pages: Natural nail treatments, Beauty System and Fragrance line.

Besides hands and nails you already know that *perfect looks* are our priority, so we remind you that we have a complete Vegan line at your disposal.

Dive in and enjoy everything we have prepared exclusively for you.
